M. E. SUNDAY-SCHOOL

New Officers and Teachers Chosen Last Night

The Third Street Methodist Episcopal Sunday-school has elected the following officers:

Superintendent—I. M. Lane. Assistant Superintendent—Harry Richardson. Secretary—Miss Lena Outten. Librarian—John Boyer. Treasurer—Miss Virginia Wetzel. Missionary Treasurer—M. B. Clark. Cornetist—Mr. Nauman. Pianist—Miss Jessie Rains. Blackboard Artist—Miss Lena Walsh.

At the same time the following teachers were elected—Messrs. John G. Brodt, Harry Richardson, M. B. Clark, Mrs. John M. Rains, Mrs. Sanford, Mrs. Housh, Mrs. Belle Smith, Mrs. Dodson, Miss M. Rains, Miss Birdie Walsh and Miss Geneva Pierce.

Mr. John McAuliffe is now Assistant Foreman of The Bulletin.

Cottage prayer-meetings will be conducted by the Rev. H. T. Musselman of the First Baptist Church at the home of Mr. William Hicks in Forest avenue tomorrow evening and at the residence of Mr. and Mrs. John I. Winter in West Third street Friday evening.

The Licking River Railroad, 89 miles in length, and 12,000 acres of land in Rowan county, have been sold to Boston capitalists. The road is to be further extended into the mountains and possibly to Owingsville or Mt. Sterling. New saw mills will be erected along the line of the road.

The coal fleet is passing up with big towns of empties.

The packets will resume their regular trips in a few days.

Rivermen are again looking for a big swell and another coalboat stage.

Enough empties are now at Pittsburgh to keep the mines busy for some time.

The big Sprague has laid up at Howard's to wait for a further rise in the river to take a big tow of coal South.

Steps are being taken to release 27 barges of coal tied up at Parkersburg, W. Va., with the steamer Clifton, by receivership proceedings.

The Big Kanawha passed up yesterday for Portsmouth and way points, the first packet out of Cincinnati for some time on account of the heavy ice in the river.

A petition has been sent out to the Supervising Board of Navigation of Steam Vessels at Washington by the Masters and Pilots Association to have a law passed to have the stern signals used on steamboats. The rivermen want two red lights on the stern and the white lights removed so that boats will be safer. It is claimed that the white light throws a glare that obscures the one red light now used.

What to Do If Constipated

Q. What is the beginning of sickness?
A. Constipation.
Q. What is Constipation?
A. Failure of the bowels to carry off the waste matter which lies in the alimentary canal where it decays and poisons the entire system. Eventually the results are death under the name of some other disease. Note the deaths from typhoid fever and appendicitis at the present time.
Q. What causes constipation?
A. Neglect to respond to the call of Nature promptly. Lack of exercise. Excessive brain work. Mental emotion and improper diet.
Q. What are the results of neglected Constipation?
A. Constipation causes more suffering than any other disease. It causes rheumatism, colds, fevers, stomach, kidney, lung and heart troubles, etc. It is the one disease that starts all others. Indigestion, dyspepsia, loss of sleep and strength are its symptoms—piles, appendicitis and fistula are caused by Constipation. Its consequences are known to all physicians, but few sufferers realize their condition until it is too late. Women become confirmed invalids as a result of Constipation.
Q. Do physicians recognize this?
A. Yes. The first question your doctor asks you is "Are you constipated?" That is the secret.
Q. Can it be cured?
A. Yes, with proper treatment. The common error is to resort to physics, such as pills, salts, mineral water, castor oil, injections, etc., every one of which is injurious. They weaken and increase the malady. You know this by your own experience. Just the opposite effect is what you need.
Q. What then should be done to cure it?
A. Write to Mull's Grape Tonic Co., 217 3d Avenue, Rock Island, Ill., who will send you a free bottle of Mull's Grape Tonic and instructions how to positively cure Constipation and in the shortest space of time. No other remedy has been known to cure Constipation positively and permanently.
Q. What is Mull's Grape Tonic?
A. It is a Grape Compound that exerts a peculiar healing influence upon the intestines, strengthening the muscles of the alimentary canal so that they can do their work unaided. The process is gradual but sure. It is not a physic. It is unlike anything else you have ever used, but it cures Constipation. Having a rich, fruity grape flavor, it is pleasant to take.
Q. Where can Mull's Grape Tonic be had?
A. Your druggist sells it. The dollar bottle contains nearly three times the 50-cent size, but if you write TODAY you will receive the first bottle free with instructions. This test will prove its worth.

UNDER SOUTHERN SKIES.
One of the most successful plays to be presented in our city this season is "Under Southern Skies," which will appear at the Washington Opera-house on Thursday, February 2d. "Under Southern Skies," is from the pen of Lottie Blair Parker, who also wrote "Way Down East." The story of the play is a very strong and interesting one, and is one that is peculiarly Southern. Its characters are distinct types of Southern people, many of them being highly diverting. A Halloween celebration and pumpkin dance are among the most attractive features of the performance.
